Customer Owned Banking Code of Practice

The Customer Owned Banking Code of Practice (COBCoP) is the code of practice for Australia's mutual building societies, credit unions, mutual banks and other mutual authorised deposit-taking institutions. The latest version of COBCoP commenced operation on 31 October 2022. Its purpose is to set standards of fair and responsible banking for banks like The Mutual Bank to follow when dealing with individuals and small business customers and their guarantors. To obtain a copy of COBCoP please phone our Member Services Contact Centre on 1300 688 825, visit any branch or visit our website.

We undertake to comply with COBCoP in our dealings with you. Each relevant provision of the COBCoP applies to the products and services described in this document and is incorporated into these Terms and Conditions.

The Customer Owned Banking Code Compliance Committee (CCC) is an independent committee, established in accordance with the COBCoP, to ensure that subscribers to the COBCoP are meeting the standards of practice that they promised to achieve when they signed up to the COBCoP. The CCC investigates complaints that the COBCoP has been breached and monitors compliance with the COBCoP through compliance activities such as mystery shopping, surveys and compliance visits.

If you have a complaint about our compliance with the COBCoP you can contact:

Target Market Determination

The *Treasury Laws Amendment (Design and Distribution Obligations and Product Intervention Powers) Act 2019* requires issuers and distributors of financial products to have Target Market Determinations (TMD) for each of these products, which is part of a broad framework designed to ensure that consumers are at the centre of the approach to the design and distribution of financial products.

A TMD describes the type of consumer that a financial product has been designed for, based on their needs, objectives, and financial situation. It is a written document that is publicly available and outlines:

- The class of consumers (including members of The Mutual Bank) who comprise the product's target market;
- How the product is distributed to members, including any conditions or restrictions on the distribution of the product, and any information that must be reported by distributors of products as issued by The Mutual Bank; and
- How often the TMD for a product is reviewed including the circumstances that may require The Mutual Bank to review the product TMD.

The TMDs for financial products that The Mutual Bank issues and/or distributes are available from branches, Member Services and The Mutual Bank's website themutual.com.au.

Risks

As with most investment products you are reliant on the ability of the issuer, in this case us, to meet our obligations to you under the terms of the particular product. Additionally, interest rates may change. This means that where your Account has a variable interest rate, you may experience a reduction in interest income. Investing in a Term Deposit, Sovereign Term Deposit or Farm Management Deposit provides protection from falling interest rates during the term. The interest rate is fixed provided you do not withdraw funds prior to the Maturity Date. However, you forgo the opportunity to benefit from rises in rates during that term. Risks in relation to Payment Facilities are set out in [clause 7](#) of these Terms and Conditions.

Costs

The current costs of using our financial products are set out in Part 2 of this PDS. We do not charge fees for opening or closing your Account.

- unauthorised use of a Payment Facility by a Third Party which may occur if your means of access to the Payment Facility is lost or stolen; and
- technical errors affecting the system used for processing payments which may, among other matters, prevent the timely and accurate completion of payments.

To reduce these risks, you should ensure that you take appropriate steps to protect the security of the Payment Facilities offered with your Account and carefully check your statements and notify us of any errors. Some Payment Facilities have specific rules or terms and conditions, which affect what you must do to reduce risks arising from your use of Payment Facilities or the extent of your liability arising from those risks.

If you give us instructions to make a Payment on a Business Day after 9.00 am on that Business Day, we may process that Payment the following Business Day.
- 8.5 To the extent permitted by law and subject to any other provisions of these Terms and Conditions, we are not liable for any loss or damage you suffer as a result of using the Payment Facility or any delay, omission or failure in respect of any Payment. Without limitation, this includes, if you request us to make a Payment to an Account held with a Third Party financial institution:

11. Interest

- 11.1 Subject to these Terms and Conditions we pay interest on credit balances of Accounts.
- 11.2 Interest is calculated on the opening daily balance by applying the daily percentage rate to the credit balance of the Account, as set out in Part 3 of this PDS. Interest will be calculated and credited to your Account monthly, quarterly, six monthly or on the maturity date of your investment if it is less than 12 months, depending on the type of Account as outlined in Part 3 of this PDS. The daily percentage rate is the applicable percentage interest rate per annum, divided by 365.
- 11.3 Under no circumstances whatsoever, will an interest rate paid on any Account be fixed for a period of more than 5 years.
- 11.4 Apart from where the interest rate is fixed for a Term Deposit, Sovereign Term Deposit or Farm Management Deposit we can change the interest rate from time to time at our discretion. If any law regulates such a change, we will only make the change to the extent permitted by, and subject to, the requirements of that law. Our current interest rates are set out in Part 3 of this PDS. You can find out the current interest rate at any time by visiting any branch of The Mutual Bank, phoning our Head Office on 1300 688 825 or viewing The Mutual Bank's website themutual.com.au.
- 11.5 You agree when you open an Account that we can notify you of interest rate changes on an Account on our website. You can obtain information about our current rates by visiting a branch or our website at themutual.com.au, emailing info@themutual.com.au, or by calling Member Services on 1300 688 825.
- 11.6 In the event an Express Credit Account has a credit balance, interest will be earned on the amount in credit at the then current rate of interest for the Everyday Account respectively. Interest will be calculated on the applicable tiered balance, on a daily basis, and paid to the Account monthly.
- 11.7 If you have a home loan with us, other than a Credit Account you may ask for a loan offset arrangement. A loan offset arrangement requires your Loan Saver Account or 100% Loan Offset Account and your Loan Account to be in the same name. If your loan is in joint names, you can only link your Loan Saver Account or 100% Loan Offset Account if it is in one of the borrowers' names. We may, at our discretion, acting reasonably, decline such a request.
- 11.8 A loan offset arrangement facilitates an offset benefit on your Loan Account. The benefit is determined daily by:
- Calculating a notional interest amount on your Loan Saver Account and setting this off against your Loan Account interest so that the net amount of interest is charged to your Loan Account; or
 - Not charging interest on the portion of your Loan Account balance for which an amount exists in your linked 100% Loan Offset Account, therefore reducing the amount of interest payable on your Loan Account.

If the balance of your loan offset arrangement exceeds the balance of the Loan Account, no offset benefit will be obtained for the portion of your loan offset arrangement that exceeds the loan balance.

- 11.9 Notwithstanding anything in these Terms and Conditions, if a home loan account is subject to a loan offset arrangement accepted by us, we will:
- a) Not pay interest on your linked Loan Saver Account or 100% Loan Offset Account;
 - b) provide an offset benefit as set out in clause [11.8](#) above and Part 3 of this PDS; and
 - c) end the loan offset arrangement on the earlier of the:
 - i. discharge of your relevant home loan;
 - ii. variation of your relevant home loan which results in a loan offset arrangement no longer being provided by us;
 - iii. closure of your Loan Saver or 100% Loan Offset Account;
 - iv. the exercise of our absolute discretion to end the arrangement, subject to providing you with at least 30 days written notice.
- 11.10 Where your Account falls below the minimum opening balance the interest rate we pay will be reduced and may be nil.
- 11.11 Interest on Accounts is paid to that Account except in respect to Term Deposit and Farm Management Deposit, where if required by law, if we require or if you request and we consent interest may be credited to another Account with us.
- 11.12 For Bonus Saver Accounts interest will only be paid if at least one (1) deposit and no withdrawals are processed during the calendar month. A deposit must be received by close of business on the last Processing Day of the month. If no deposits and any number of withdrawals are made no interest will be paid for that month.
- 11.13 For Real Estate Trust Accounts and Conveyancer Trust Accounts no interest is credited to your Account. However, interest earned on your Account is paid to the Department of Fair Trading monthly within 7 Business Days of the end of the month as required by the *Property, Stock and Business Agents Act 2002*.
- 11.14 For Solicitors Trust Accounts and Solicitors Trust Statutory Deposit Accounts no interest is credited to your Account. However, interest earned on your Account is paid to the Law Society of NSW monthly within 7 Business Days of the end of the month as required by the *Legal Profession Uniform Law Application Act (2014) NSW* and *Legal Profession Uniform Law Application Regulation 2015*.
- 11.15 If you do not provide us with instructions on your Term Deposit, Sovereign Term Deposit or Farm Management Deposit prior to the Maturity Date we will set a new interest rate to apply to the funds accumulated in your Term Deposit, Sovereign Term Deposit or Farm Management Deposit for the same, or if not available, a similar term (as determined by us) as the term for which interest rate which applied prior to the Maturity Date was fixed. We will use the applicable rate of interest available at the time of the rollover and you will be notified of such rollover action arrangement. You may instruct us up to 7 days following such rollover action to provide us with instructions without any Reduced Term Interest Rate applying. We will provide you with a Certificate of Investment reflecting the rollover action arrangement after the expiry of the 7-day grace period and as soon as reasonably practicable thereafter (typically on or after the 8th day).
- 11.16 For Sovereign Term Deposit over 365 days (but in no instance over 36 months) we may negotiate a rate other than as set out in Part 3 of this PDS with you. Where such a rate is negotiated and the Sovereign Term Deposit is opened, we will provide you with a Certificate of Investment reflecting that arrangement as soon as reasonably practicable, the terms of which are then incorporated into these Terms and Conditions.

- 11.17 We may, at our discretion acting reasonably, advise you in writing prior to the Maturity Date of your Term Deposit Sovereign Term Deposit or Farm Management Deposit of the current rates and terms available. Details of these rates and terms are available at any branch of The Mutual Bank, by contacting our Head Office on 1300 688 825 or by visiting The Mutual Bank's website themutual.com.au.
- 11.18 When you invest in a Term Deposit, Sovereign Term Deposit or Farm Management Deposit you are investing a fixed amount, for a defined term at a fixed rate. We may allow you to break your Term Deposit, Sovereign Term Deposit or Farm Management Deposit before the Maturity Date, subject to you first providing us with a valid request in writing no less than 31 calendar days' prior ("Notice Period"), unless financial hardship applies. You will only be entitled to interest at the Reduced Term Interest Rate from the Maturity Date or lodgement date first preceding your withdrawal of funds. You authorise us to debit these fees and charges to your Account in the circumstances set out in Part 2 of this PDS. Where you hold a Trust Account or Solicitors Trust Statutory Deposit Account the fees payable on your Account will be debited to your associated Everyday Business Account. Subject to clause 12.4 we may change our fees and charges from time to time (including introducing new fees and charges and changing the way in which we calculate our fees and charges and debit them to your Account). If any law regulates such a change, we will only make the change to the extent permitted by, and subject to, the requirements of that law. There is no maximum limit on the amount of fees we may charge.
- 12.2 We may also deduct from your Account all and any Government Charges applicable and as permitted by law to your Account from time to time.
- 12.3 Any failure by us to charge a fee or charge shall not constitute a waiver of that fee or charge or the right to charge that fee or charge in the future.
- 12.4 Notwithstanding clause 12.1, we are not entitled to introduce entry fees, exit fees, fees or charges for the management of the funds, fees for the issue of a passbook (or any replacement passbook) and fees for the entry of particulars into a passbook.

15. Joint Accounts

These clauses apply if an Account is held in two or more names jointly.

15.1 The Terms and Conditions bind each of you separately as well as together.

15.2 If you have made a choice, in writing, as your method of operation, any one of the joint Account holders to operate the Account, you do not require the authority of any other Account holder to make a transaction or carry out most actions.

However, if you have chosen as your method of operation more than one person to operate your Account, we require the number chosen by you to jointly make transactions or carry out an action. In our discretion acting reasonably, we may require all joint holders to give us instruction to carry out an action (for example adding or removing an Account holder).

15.3 We are not required to make any inquiries in relation to any instructions you give us with respect to the operation of your Account. You are jointly and severally liable for any loss or damage you or a Third Party suffers as a result of us acting upon those instructions.

15.5 In the event of the death of an Account holder(s), the Account will be treated as the Account of the surviving Account holder(s) only.

15.6 Subject to any restriction in place under clause [15.8](#) you agree that each of you may have access to information about the Account without the consent of the other Account holder(s).

- 15.7 If an Account is overdrawn, each person who is a joint holder of the Account is liable both on their own and together for immediate payment of all or any of the amount overdrawn.
- 15.8 Each of you may use the Account or give us instructions, subject to our discretion in clause [15.2](#), on any matter relating to the Account without the consent of the others. However, if the Account is not one that can be accessed by a Card, you may ask us, by notice in writing signed by all of you, to restrict the Account so that it can only be operated by all of you, or some of you jointly.
- 15.9 Periodic statements and notices will be addressed to you jointly at your nominated address. You agree that each of you may have access to the Account is not one that can be accessed by a Card, and you have asked us, by notice in writing signed by all of you, to restrict the Account so that it can only be operated by all or some of you jointly, then you agree that access to information about the Account will only be allowed in the same manner.
- 15.10 If there is a dispute between any of the joint Account holders in relation to the Account:

 - b) when we receive that written notice, we may restrict access to the Account in any way including:

 - d) subject to these Terms and Conditions and any rights we may have at law or otherwise, if we do not receive written notice of the dispute from you or any of you, we will not restrict access to the Account.

16. Dormant Accounts

- 16.1 If you do not transact on your Deposit Account for 12 months, your account will be treated as dormant. We will provide you at least 30 days' notice prior to this occurring, allowing you the opportunity to keep your account active. If you do not transact or notify us of your intention to keep your account active within that time, your Deposit Account will be deemed dormant and we may cancel any Payment Facilities including cards linked to your account.
- 16.2 If all your Deposit Accounts remain dormant, and you do not have an open loan or term deposit account, your Deposit Accounts may be closed. Prior to closure, we will provide you with 30 days' notice in advance. The timing of closure may vary depending on when we conduct our review of dormant accounts.
- 16.3 If your Deposit Account is closed due to dormancy, we will cease paying interest and your deposit will no longer be protected by the Financial Claims Scheme. Any remaining balance, less any applicable fees, will be held in a designated suspense account managed by us until you contact us to reinstate your account, or until we are required by law to remit the unclaimed money to ASIC. You may reactivate your account and reclaim your funds at any time by contacting us and verifying your identity.
- 16.4 If you are an account holder under the age of eighteen years, your Deposit Accounts cannot be treated as dormant. The 12-month period may commence no earlier than the day after your eighteenth birthday.

- 17.1 We reserve the right to combine all your Accounts (including, without limitation, closed Accounts and written off Accounts) in your name with us at any time without prior notice to you.

17.2 However, we will inform you subsequently if we do this. In the event of any inconsistency between this clause and a contract regulated by the National Credit Code, the contract regulated by the National Credit Code will prevail to the extent of the inconsistency. 18.3 If you or an Additional Cardholder breach any of these Terms and Conditions, we may close the Account.

18.4 If your Account is closed pursuant to clause [18.1](#), [18.2](#) or [18.3](#):

- a) we may cancel any Card linked to that Account, cancel any cheque facility linked to that Account and disable your access to other Payment Facilities;
- b) you must destroy all Cards and all unused cheques linked to that Account;
- c) you will be liable for any transactions that were not processed, or that occur, on the Account (including but not limited to cash advances and cheques presented) at the time the Account is closed;
- d) if you do not destroy the Cards and/or unused cheques attached to the Account when you close the Account, you also agree that you will be liable for any transactions that occur on the Account by use of these outstanding payment instruments after the closure date;

If we do agree to your request for other people to operate your account, we may impose conditions.

- 20.2 A person that is authorised to operate your Account is called an Authorised Signatory. You can revoke this authority at any time by notifying us in writing (i.e., completing our prescribed form) and return to us any Card or chequebook that we have issued to that person.
- 20.3 These Terms and Conditions apply to the Authorised Signatory in the same way that they apply to you. You should ensure that any additional signatory has read these Terms and Conditions and complies with them. If the Authorised Signatory does not comply with the Terms and Conditions, you will be liable.
- 20.4 When an Authorised Signatory instructs us to carry out an action, or makes a transaction, we will act on the instructions of that person. You are responsible for all such actions and transactions.
- 20.5 We are not required to make any inquiries in relation to any instructions received by an Authorised Signatory in relation to the operation of your Account. You are wholly liable for any loss or damage you or a Third Party suffers as a result of us acting upon those instructions.

- 21.1 We may change these Terms and Conditions at any time. If any law regulates that change, we will only make the change to the extent permitted by, and subject to the requirements of that law. We can only make changes to the extent reasonably necessary to protect our legitimate interests, or changes which benefit you or cause no detriment to you.
- 21.2 You agree that we can give notice of changes to these Terms and Conditions, any material change, or any significant event that affects any of the matters specified in this PDS in writing, electronically, by an advertisement in a major daily newspaper circulated in the region where your Account is maintained or in any other way permitted by law.

25. Farm Management Deposits – Required Statements

- 25.1 Purpose of Farm Management Deposits scheme.

The Farm Management Deposits scheme is designed to allow individuals carrying on a primary production business in Australia to shift before tax income from years when they need it least, to years when it is most needed. The scheme helps those individuals to manage their exposure to adverse economic events and seasonal fluctuations.

Eligibility criteria apply to individuals carrying on a primary production business in Australia under the scheme.

Note: Primary production business and carrying on a primary production business are explained in ITAA 1997 Section 995- 1.

25.2 Tax consequences of Farm Management Deposits

The scheme allows individuals carrying on a primary production business in Australia to deduct the amount of any Farm Management Deposit they own from their assessable income for the income year in which the deposit is made. However, the amount of the deductions cannot exceed the owner's taxable primary production income for the income year.

Under the Pay As You Go system, owners may reduce their instalment income for an instalment period by the amount of Farm Management Deposits made during that period. The reduction is limited to the amount that the owners can reasonably expect to deduct for the deposit for the income year in which the deposit is made. However, the instalment income for the period cannot be reduced below nil.

When a Farm Management Deposit is repaid to an owner in an instalment period, the instalment income of the period will include the amount of the repayment. But the owner's instalment income will only include so much of the repayment as will be included in the owner's assessable income for the income year in which the repayment is made.

If neither the owner's TFN nor ABN has been quoted to the Farm Management Deposit provider that holds the deposit, the amount repaid will also be subject to withholding at a rate equal to the sum of the top marginal tax rate and the Medicare levy.

25.3 Important requirements for Farm Management Deposits

Some of the requirements for Farm Management Deposits are summarised below. There are also other requirements set out in the Act. A breach of some of the requirements will result in the deposit not being treated as a Farm Management Deposit, and the tax benefits will be lost.

- The owner must be an individual who is carrying on a primary production business in Australia when the deposit is made.
- The deposit must be made by only one individual and on behalf of only one individual.
- Rights of the depositor must not be transferable to another entity.
- The deposit must not be used as security for any amount that the depositor or any other entity owes to the Farm Management Deposit provider or any other entity.
- Interest or other earnings on the deposit must not be invested as a Farm Management Deposit with the Farm Management Deposit provider without having first been paid to the depositor.
- If the depositor requests in writing, the Farm Management Deposit provider must electronically transfer the deposit, or part of the deposit, to another Farm Management Deposit provider that agrees to accept it as a Farm Management Deposit.
- The Farm Management Deposit provider must not deduct any fees from the principal of a Farm Management Deposit. However, it may charge fees on the deposit.

25.4 Repayment of Farm Management Deposits

The tax benefits are not retained for deposit amounts repaid within the first 12 months after the deposit was made, unless the repayment is made:

- (a) because the Farm Management Deposit owner:
 - (i). dies; or
 - (ii). becomes bankrupt; or
 - (iii). ceases to carry on a primary production business in Australia and does not start carrying on such a business again within 120 days; or
 - (iv). has requested the deposit, or part of the deposit, to be transferred to another Farm Management Deposit provider and the repayment relates to the transfer; or
- (b) because the circumstances specified in subsection 393 40(3) of the *Income Tax Assessment Act 1997* or in regulations made for the purposes of that subsection, relating to repayment in the event of severe drought, exist; or
- (c) because the circumstances specified in regulation 393 15, relating to repayment in the event of a natural disaster, exist.

25.5 Additional information

1. The minimum deposit threshold is the amount stated in item 4 of the table in section 393 35 of the Act, *currently \$1,000.00*.
2. The maximum deposit limit is the amount stated in item 10 of the table in section 393 35 of the Act, *currently \$800,000.00*.
3. An individual can own more than one Farm Management Deposit and can own Farm Management Deposits with different Farm Management Deposit providers, but the sum of the balances of all of the Farm Management Deposits of an owner claimed as a deduction must not be more than the maximum deposit limit.
4. The amount of any repayment of the deposit must be at least the amount stated in item 12 of the table in section 393 35 of the Act, *currently \$1,000.00* except where the entire amount of the deposit is repaid.
5. The deposit will not be deductible if taxable non primary production income for the year of income exceeds the amount stated in paragraph 393 5(1)(d) of the Act, *currently \$100,000.00*.
6. If neither the owner's TFN nor ABN has been quoted to the Farm Management Deposit provider, any repayment will be subject to the withholding rate, which is the sum of:
 - (a) the top marginal tax rate for the income year in the year of deposit; and
 - (b) the Medicare levy.

Note 1: The top marginal tax rate is the maximum rate specified in column 3 of the table in Part 1 of Schedule 7 to the Income Tax Rates Act 1986, currently 45%.

Note 2: The Medicare levy is specified in subsection 6(1) of the Medicare Levy Act 1986, currently 2%.

7. If the Farm Management Deposit is used to offset a liability to pay interest on debts to the FMD provider that do not wholly relate to a primary production business that the owner (or a partnership of which the owner is a partner) carries on, the owner is liable to an administrative penalty of up to 200% of that offset.

Note: The Mutual Bank currently does not offer Farm Management Deposit Offset facility.

26. Miscellaneous

- 26.1 If we do not exercise a right or remedy fully, or at a given time, we reserve the right to exercise it later.

- 26.6 You warrant that all information (including any documents) that you have given us in connection with opening the Account is true, up to date, correct and not misleading.

If your Account is of a kind not ordinarily acquired for personal, domestic or household use or consumption, our liability is restricted to re-supplying the services or the cost of re-supplying the services to you.
- 26.8 We warrant that we will comply with the requirements of the ePayments Code.
- 26.9 If any part of these Terms and Conditions is illegal, invalid or unenforceable at law, the rest of these Terms and Conditions are to be read so as to exclude any such part and will remain enforceable to their fullest extent.
- 26.10 If:
- a) the National Credit Code would make a provision of these Terms and Conditions illegal, void or unenforceable; or
 - b) as a consequence of a provision of these Terms and Conditions, a provision of any other agreement would otherwise contravene a requirement of that Code or impose an obligation or liability prohibited by that Code.
- These Terms and Conditions are to be read as if that provision were varied or omitted to the extent necessary for them or any other agreement to comply with that Code.
- 26.11 We may only exercise our rights under these Terms and Conditions to the extent (if any) reasonably necessary to protect our legitimate interests. This clause applies to a term in these Terms and Conditions, despite any other term, if it:
- a) is subject to unfair contract terms legislation; and

- b) is to our advantage; and
- c) causes a significant imbalance in the rights and obligations of you and us under these Terms and Conditions; and
- d) would cause detriment to you if we applied the term or relied on the term.

Words used in this clause have the meanings given to them in the unfair contract terms legislation.

26.12 You authorise us to debit to your Account, any amount that these Terms and Conditions identify:

- a) you are liable for;
- b) we are entitled to debit your Account; or
- c) you have to pay us.

Part C: Terms and Conditions for Cheque Facility

This part applies if you have a Member Cheque Facility or use a Bank Cheque.

27. Changes to Cheque Facilities from 31 July 2024

- 27.1 From 31 July 2024, an existing Member Cheque Facility will be cancelled if a member cheque has not been written in the prior twelve (12) months.
- 27.2 From 31 December 2024, holders of an existing Member Cheque Facility who are not regular users (one (1) cheque or less written per month in the prior six (6) months) will be notified that their Member Cheque Facility will be closed due to dormancy.
- 27.3 From 31 March 2025, holders of an existing Member Cheque Facility who are regular users (one (1) cheque or more written per month in the prior six (6) months) will be notified that their Member Cheque Facility will be ceasing.
- 27.4 From 1 July 2025, Bank cheques will no longer be available.
- 27.5 From 1 January 2026, all Member Cheque facilities will cease.

28. Issuing and Writing Member Cheques

- 28.1 New Member Cheque Facilities are not available.
- 28.2 You may only write Member Cheques on the forms we supply or forms we approve. These cheques are crossed not negotiable.
- 28.3 All member cheques that you write must be completed clearly and signed by you or an Authorised Signatory. You should only sign a cheque after it has been filled out.
- 28.4 You must prevent fraud occurring in relation to your Member Cheque Facility.
- 28.5 If you write a cheque and the amount stated on the cheque in words is different to the amount stated on the cheque in figures, we will pay the lesser of those two amounts.
- 28.6 If all Member Cheques written by you have not been presented, you must not write a Member Cheque or withdraw an amount of money or obtain an amount of credit that:
 - a) exceeds the Cleared Funds less the amount of any unpresented Member Cheque/s;
 - b) would result in the amount owing on your Express Credit Account plus Member Cheques deposited to your Express Credit Account that have not been cleared, any applicable charges and any unpresented Member Cheques exceeding the Credit Limit under your Express Credit contract; or
 - c) together with cheques deposited to your Express Credit Account that have not been cleared, any applicable charges and any unpresented Member Cheques, would result in there being no Excess Amount.
- 28.7 When filling out a cheque you should always write the amount of the cheque in words as well as figures, as words are more difficult to alter. You should:
 - a) try not to leave any gaps between words or figures;
 - b) begin the amount in words with a capital letter as close as possible to the words "The sum of" and draw a line from the end of the amount in words to the printed dollar sign \$;
 - c) begin the amount in figures as close as possible to the printed dollar sign \$; and
 - d) add the word "only" after the amount in words.
- 28.8 You must not write on a cheque with pencil or erasable ink.

- 28.9 A Member Cheque Facility is not available on Everyday Account- Passbook, Christmas Club, Mighty Mutual, Cash Management, Internet Saver, Bonus Saver, Term Deposit or Farm Management Deposit.
- 28.10 a) What is the effect of crossing a cheque?
- i. Crossing a cheque means drawing two transverse parallel lines from top to bottom on the face of the cheque. When you cross a cheque, you are telling the ADI that the cheque must be paid into an Account with a financial institution and not cashed.
- b) What is the meaning of "Not Negotiable"?
- i. The words "not negotiable" between two parallel lines across the face of a cheque mean that, where the cheque is transferred, the person who obtains the cheque has no greater rights than the person who transferred it to him or her.
 - ii. For example, if your cheque has been stolen and passed by a thief to an innocent person, you will be able to recover the amount paid on your cheque from the innocent person (or the thief if they are found) - this is because the thief has no rights to the cheque and therefore has passed no rights to the innocent person.
- c) What is the meaning of "Account payee only"?
- i. These words on a cheque are a warning to an ADI with which the cheque is deposited that the cheque should be paid only to the person named in the cheque as payee.
- d) What is the significance of deleting "or bearer"?
- i. The words "or bearer" mean that (except in the case where the cheque is crossed and must therefore be collected by an ADI) the ADI on which the cheque is drawn has authority to pay it to any person in possession of it even if that person found it or sold it unless the ADI has reason to suspect that the cheque might have fallen into the wrong hands. If you delete these words, the cheque becomes an "order" cheque.
 - ii. If a cheque is an "order" cheque then (except in cases where the cheque is crossed and must therefore be collected by an ADI, the ADI on which the cheque is drawn should only pay it to the named payee or to any other person to whom the named payee by endorsing the cheque on the reverse side, has ordered it to be paid.

29. Stopping Cheques

- 29.1 Subject to this clause you may request payment to be stopped on a Member Cheque or a Bank Cheque which has not yet been presented for payment as long as you pay any charges we impose for this service. Our current fees and charges are set out in Part 2 of this PDS.
- 29.2 To stop a Member Cheque, you must contact a branch of The Mutual Bank or our Member Services Contact Centre on 1300 688 825 and complete a "Stop Payment Notice" form. If you have access to Internet Banking, a member cheque may be stopped using this Access Method. You will need to identify the cheque clearly by telling us the name of the Account, the amount of the cheque, the number and date of the cheque and the name of the payee.
- 29.3 You can only stop a Bank Cheque if it has been lost or stolen. You cannot stop a Bank Cheque in any other way including when you have a dispute with the payee. To stop a Bank Cheque, you must:
- a) contact any branch of The Mutual Bank to request the stop payment;
 - b) complete a "Request to Stop Payment" form; and
 - c) at the discretion of The Mutual Bank, you may be required to provide us with a letter from the payee stating they have not received the cheque. If the payee is a business, company or other entity other than a natural person, the letter must be on the entity's letterhead. The letter must be provided before a replacement cheque is drawn made payable to the original payee.

29.4 Where a Bank Cheque is stopped in accordance with this clause we may, at our absolute discretion, re-credit funds previously debited to your Account.

30. Dishonouring Cheques

30.1 We may, at our discretion, dishonour a cheque if:

- a) you have insufficient funds or available credit in your Account to cover the cheque;
- b) the cheque has not been completed correctly or is incomplete (including but not limited to a cheque that is unsigned, undated, post-dated, stale, has no payee stated or has been materially altered and you have not authorised the alteration);
- c) you have instructed us to stop payment on the cheque;
- d) any member cheque attached to a Credit Account presented for payment which would result in the credit limit being exceeded; and
- e) we have received notice of your mental incapacity, bankruptcy, insolvency, external administration or death.

30.2 If your member Account or Credit Account is closed or your cheque facility is cancelled, we may dishonour any cheque presented after closure or cancellation, unless you make other arrangements with us.

30.3 Our right to take action to recover money you owe us will not be prejudiced by any decision we make to meet payment on any member cheque. We do not agree to provide you with credit merely because we meet payment on a member cheque that causes your Account to be overdrawn.

30.4 We will charge a fee when any member cheque is dishonoured. Our current fees and charges are set out in Part 2 of this PDS.

31. Lost or Stolen Member Cheques and Members Cheque Books

31.1 You must keep your member cheque book and all unused cheques in a safe place at all times.

31.2 You must keep your member cheque book separate from any plastic cards or other material that bears your signature. Under no circumstances should you leave signed blank cheques in your member cheque book.

31.3 If any member cheque or your member cheque book is lost, misused or stolen, you must notify us as soon as possible by contacting our Member Services Contact Centre on 1300 688 825.

31.4 If you delay unreasonably in advising us that a cheque or cheque book is lost or stolen or misused, other people may be able to withdraw money from your Account or Credit Account without your permission.

32. Cancelling your Member Cheque Facility

32.1 We may, at our discretion acting reasonably, cancel your Member Cheque facility at any time. If you are a regular user of your Member Cheque facility we will give you notice that is reasonable in all circumstances.

32.2 You can cancel your Member Cheque facility at any time by giving us notice and destroying all unused Member Cheques.

33. Liability

33.1 To the extent permitted by law, we will not be responsible for or liable for:

- a) any arrangement or transaction which is conducted or processed by us on your behalf;
- b) the dishonour or failure to dishonour any cheque drawn by you;
- c) any delay or failure in processing a transaction on your behalf;

- d) any other action taken or not taken in relation to your member cheque facility; and
- e) any discretion we exercise in determining the order in which payments are processed.

Part D: Terms and Conditions for Passbooks

This applies if you have a passbook facility.

New passbooks may be issued for the Mighty Mutual, Cash Management, Christmas Club and Retirement Accounts. New passbooks will no longer be issued for Everyday Accounts.

34. Your Passbook

- 34.1 Each passbook we issue always belongs to us. We may retain or require you to return your passbook at any time. If we ask you to return your passbook, you must do so immediately. If we issue a replacement passbook you must not use the passbook it replaces, and you remain liable for any use of the replacement passbook.
- 34.2 Under no circumstance should you keep a visible record of your signature with your passbook. This includes signed withdrawal forms or cards.
- 34.3 Your passbook is a record of your Account and must be kept in a safe place. If you do not comply with this condition and someone uses your passbook to withdraw money from your Account, we are not liable.
- 34.4 You agree that:
- a) you can present your passbook for up-dating at any of our branches;
 - b) it is your responsibility to have your passbook updated at regular intervals; and
 - c) the ability to have your passbook updated at one of our branches is the facility through which confirmations of transactions on your Account are provided to you.
- 34.5 We will not charge you a fee for the issue of a passbook or the entry of particulars into your passbook.

35. Lost or Stolen Passbook

- 35.1 You must notify us immediately by phoning our Member Services Contact Centre on 1300 688 825 or by contacting us at one of our branches if your passbook is lost, stolen or destroyed. If you do not, other people might be able to withdraw money from your Account without your permission. If you do not comply with this condition and someone uses your passbook to withdraw money from your Account, we may not be held liable.
- 35.2 If an unauthorised EFT transaction is made on your passbook Account, without your knowledge or consent, liability for that transaction will be determined in accordance with Part F: Terms and Conditions for EFT Transactions: Liability for Unauthorised Transactions. Otherwise, we are not liable for any amount withdrawn from your Account until you tell us that your passbook has been stolen, mislaid, or lost.

Part E: Terms and Conditions for Cards and Electronic Banking

We warrant that we will comply with the requirements of the ePayments Code.

Section 1: Visa Cards

This section applies if we issue a Card for your Account.

36. Your Visa Card

- 36.1 You must sign your card as soon as you receive it and ensure that any Additional Cardholder also immediately signs their Visa Card. A Visa Card may not be accepted unless it has been signed.
- 36.2 Each Visa Card we issue always belongs to us. We may retain or require you to return your card at any time. If we ask you to return a card, you must do so immediately. If we issue a replacement Visa Card to you, you must not use the Visa Card it replaces ("the replaced card") and you remain liable for any use of the replaced Visa Card.
- 36.3 You must not use your card after the expiry date printed on it.
- 36.4 You authorise us to give information to other persons for the purpose of authorising your transactions.
- 36.5 You can use your Visa Card, subject to withdrawal limits to:
- a) withdraw cash from, or obtain an Account balance at any ATM that accepts VISA; and
 - b) use EFTPOS to:
 - i. if the merchant agrees, withdraw cash from an Account linked to your Visa Card; and
 - ii. purchase goods and/or services.
- 36.6 We can impose limits on the amount you can withdraw in cash from your Account from an ATM or EFTPOS facility. We may change the amount of this limit from time to time. If any law regulates such a change, we will only make the change to the extent permitted by, and subject to the requirements of that law. You will be notified of these changes in accordance with [Part F](#) clause [53](#) of these Terms and Conditions. The current limits are set out in [Clause 5](#) of this PDS.
- 36.7 We can refuse to authorise a proposed transaction if:
- a) the transaction exceeds the cleared funds;
 - b) your Visa Card has been reported lost or stolen;
 - c) we have any other good reason to do so; or
 - d) you have an Express Credit Account that has a Credit Limit, and the transaction would result in the amount owing on your Express Credit Account plus cheques deposited to your Express Credit Account that have not been cleared and any applicable charges exceeding that Credit Limit.
- 36.8 If you are an Account holder or Authorised Signatory, we will allow you to collect a Visa Card on behalf of another Account holder or Authorised Signatory. You will be required to provide primary identification and ensure that the Visa Card is signed by the Visa Card holder as soon as possible after collection.
- 36.9 We can debit your Account with the amount of any purchases or cash advances and any other transactions made using your Card or any additional card.
- 36.10 If you link your Card to an Account with an Express Credit facility, you can access that Express Credit facility.

- 36.11 We do not guarantee that any merchant will accept your card or allow you to make a purchase through EFTPOS. We are not responsible for the following, unless the law says we are:
- a) any goods or services which you have obtained from a merchant using your card;
 - b) any refund by a merchant.
- 36.12 Visa Cards are not available with respect to Mighty Mutual, Christmas Club, Cash Management, Internet Saver, Internet Saver – Business, Bonus Saver, Term Deposit, Sovereign Term Deposit, Farm Management Deposit, Real Estate Trust, Solicitors Trust, Solicitors Trust Statutory Deposit, or Conveyancers Trust accounts.

37. Additional Visa Card

- 37.1 You may apply to have another person authorised to access and operate your Account with a Visa Card. If we do agree to your request, we can impose conditions. A person that is authorised to access and operate your Account with a Visa Card is called an Additional Cardholder. If we accept your application:
- a) we will issue to that person A Visa Card linked to your Account (“additional Visa Card”);
 - b) your Account will be debited with all transactions made using the additional Visa Card and you will be responsible and liable for these transactions as if you had made them yourself;
 - c) these Terms and Conditions apply to the additional Visa Card in the same way that they apply to your Visa card. You should ensure that any additional cardholder has read these Terms and Conditions and complies with them. If the additional cardholder does not comply with the Terms and Conditions, you will be held liable.
- 37.2 You can arrange to have this authority revoked at any time. If you want to revoke the authority of an Additional Cardholder to operate your Account, you must notify us in writing and return any cards (cut in half and through the chip) we have issued to that person. A cancellation will not be effective until you have done both of these things.
- 37.3 You consent to us giving a person with an additional Visa Card information about your Account when:
- a) your Visa Card and Access Methods have been reported lost or stolen or compromised; or
 - b) we have any other good reason to do so.

38. Cancellation of your Visa Card

- 38.1 You may cancel a Visa Card at any time. You can do this by contacting any branch of The Mutual Bank or by phoning our Member Services Contact Centre on 1300 688 825.
- 38.2 We may cancel your Visa Card at our discretion at any time, acting reasonably. If we cancel your Visa Card, we will give you notice that we consider reasonably necessary (including notice after the fact in preference to prior notice).
- 38.3 Unless a Visa Card is linked to a Credit Account, the Visa Card option is not a credit facility. It is a debit card only and allows you greater access to your savings. The issue of a Visa Debit Card does not in any way involve the provision of any credit by us to you.
- 38.4 Cardholders must be at least 12 years in age, and parent/guardian written approval is required for cardholders under 16 to obtain a Visa Debit Card.
- 38.5 If you use your Visa Card overseas, foreign currency amounts charged or refunded to your Account or Credit Account are converted at Visa International’s choice:
- a) directly into Australian currency at the exchange rate Visa International decides; or
 - b) into United States currency and then into Australian currency at the exchange rates Visa International decides.

- 38.6 The Australian currency amount and any applicable currency conversion charges are then debited or credited to your Account or Credit Account.
- 38.7 You cannot make deposits in person outside Australia. Deposits in Australia can be made in person at any Financial Institution branch displaying the Visa logo.
- 38.8 You can arrange for an emergency replacement card, if required, at the time of reporting your Visa Card lost or stolen by contacting Visa International directly. We may impose a fee for providing a replacement card (see Part 2 of this PDS for details of our current fees and charges).

39. Visa Card Transaction Authorisation & Disputes

- 39.1 We can impose daily withdrawal limits on transactions you carry out at ATM and EFTPOS facilities in Australia or overseas using your Visa Card. We can change the amount of these limits at any time, subject to our notification obligations in clause [21](#), at our discretion acting reasonably. The current daily limits are set out in Clause [5](#) of this PDS.
- 39.2 For making purchases with your Visa Card over the internet, The Mutual Bank provides a secure verification system known as Visa 3DSecure. Information and Terms and Conditions of Use for Visa Secure are available online at themutual.com.au.
- 39.3 Some transactions need authorisation from us. We may choose not to authorise a proposed transaction, including for example, where we reasonably consider that there is a risk of loss or fraud through the use of particular Merchants.
- 39.4 If you have an error or dispute with a Merchant about a transaction and if the Visa Card scheme rules apply, you may be entitled to a reversal of that transaction. If you believe that you are entitled to dispute the transaction*, you must notify us immediately as the operating rules of the card scheme impose time limits for disputes. For most transactions, dispute rights are limited to a maximum timeframe of 120 days from the transaction date. Once time limits have expired, any dispute rights may be lost. Where the ePayments Code applies to the transaction, its time limits may apply and not those of the card scheme. If you notify us in time, and we are satisfied that you are entitled to be reimbursed, we will credit your Account for the amount initially debited for the transaction. However, you should note that the Merchant also has rights to have the transaction further investigated and re-debited if appropriate. If you wish to dispute a Merchant transaction on your Mutual Visa Card, please phone our Member Services Contact Centre on 1300 688 825 or visit one of our branches.

*A disputed transaction means a transaction where a dispute exists between you and a Merchant over that transaction in accordance with the Visa Card scheme rules.

- 39.5 You can pay with your Visa Card using Visa payWave by tapping your card against the contact reader. Payments using payWave can only be made at a participating merchant. If your purchase is equal to or over AUD \$200 or you are using payWave with your Visa Card for the first time you may have to sign or enter your Visa Card PIN. Visa and our security systems continue to protect you from unauthorised transactions. The same conditions apply to your Visa Card payWave transactions as your other Visa Card transactions.

Section 2: Internet Banking

- 40.1 The Terms and Conditions for Internet Banking operate subject to the Terms and Conditions applicable to the Account(s) or Credit Account(s) in relation to which they operate.

- 40.6 We are under no obligation to you to process any transactions in near real time or on the day on which that transaction is made. However, we will endeavour to process each transaction on the best option available:

 - ii. after 3.30pm on the next Business Day;

- 40.8 You agree that any request for a balance or information using Internet Banking or by any other means, you make in relation to any Account or Credit Account which is regulated by the National Credit Code is not a request for a statement in relation to any balance, credits, debits, overdue amounts or amounts payable in respect of that regulated Account.

41. Internet Banking

Clauses [41](#) to [46](#) of this [section 2](#) of [Part E](#) applies in relation to access to Internet Banking. We may extend or reduce this range of services at any time without notice to you.

42. Availability of Internet Banking

42.1 We will make reasonable efforts to ensure the availability of our Internet Banking during the hours we have specified in clause [40.6](#) and subject to your obligations in clause [40.2](#).

43. Transaction Processing and Limits for Internet Banking

43.1 We will issue a transaction receipt number for a transaction successfully conducted using Internet Banking at the time of the transaction. However, a transaction may not be processed by another financial institution until their next batch processing day.

43.2 We may apply a limit per Account or Payment Facility on specified transactions using Internet Banking on any one day as set out in Clause [5](#) of this PDS.

43.3 If you are seeking Internet Banking access to an Account which requires two or more to sign, access to debit the Account electronically will only be given if each of you are individually registered. To complete any transaction each of you are required to enter your Access Code.

43.4 If your Account requires two or more to sign, the transaction may be authorised from Electronic Equipment at separate locations. This requires the authorised signatory to log on and enter their individual Access Method.

43.5 Not all mobile devices are capable of accessing and supporting Mobile Banking. It is your responsibility to ensure any mobile device you use to access Mobile Banking is compatible and capable of supporting Mobile Banking. - b) the loss, modification, damage or destruction of hardware or software caused by computer viruses or program bugs or similar causes; or
- c) your Internet Banking being unavailable at any particular time or inaccessible from any particular location.

However, we do not exclude any liability in this clause to the extent that the exclusion of liability would make this clause an unfair contract term.

45.2 If you use Internet Banking other than for private or domestic use, our liability is restricted subject to [Part F](#) of these Terms and Conditions in the case of EFT Transactions and subject to [Part G](#) of these Terms and Conditions in the case of BPAY Payment, in accordance with Australian and state fair trading laws and regulations to:

46.3 If we are not satisfied that a Mistaken Internet Payment has occurred, we will not take any further action.

46.4 We must inform you of the outcome of the reported Mistaken Internet Payment in writing and within 30 business days of the day on which the report is made.

46.5 You may complain to us about how the report is dealt with, including that we and/or the receiving ADI if you are not satisfied that a Mistaken Internet Payment has occurred have not complied with the processes and timeframes set out in clauses [46.1](#) to [46.4](#).

- b) not require you to complain to the receiving ADI.

Section 3: Security of your Card and Access Code

48. Protecting your Access Code

48.1 Your Access Code is confidential, and we will rely on it as constituting your electronic signature. Your Access Code allows anybody using it to access and transact on your Account or Credit Account and we are authorised by you to permit such access and transactions conducted. Because of this you must take special care to protect your Access Code.

- 48.2 You must ensure that your Access Code is kept secure and not disclosed to anyone except us in the course of transacting on your Account or Credit Account. Where you have an Additional Cardholder or Authorised Signatory, they will be advised of their Access Code separately. You must ensure that any Additional Cardholder or Authorised Signatory does not disclose their Access Code to anyone except us in the course of transacting on your Account or Credit Account.
- 48.3 To protect your Access Code, you and any Additional Cardholders or Authorised Signatories must:
- a) attempt to memorise your Access Code;
 - b) destroy any documentation we issue to you containing your Access Code;
 - c) not keep a record of your Access Code near or stored with any item which allows you to access your Account or Credit Account with the Access Code (e.g. Card, your telephone or computer);
 - d) not disclose your Access Code to any person (including a family member or friend);
 - e) not select an Access Code that is easily identified or associated with you (e.g., your date of birth, telephone number, your name or part of it, or driver's licence number etc.);
 - f) not allow any unauthorised person to observe or hear your Access Code; and
 - g) not leave your computer or telephone (as the case may be) unattended when you are using Internet Banking.
- 48.4 If you make a record of your Access Code, you must take reasonable steps to prevent unauthorised access to the record or ensure the record is reasonably disguised. We do not consider that you have made a reasonable attempt to prevent unauthorised access or to disguise your Access Code if you:
- a) store the record of your Access Code with, or close to any item which allows you to access your Account or Credit Account with the Access Code (e.g., a Card, your telephone or computer);
 - b) record the Access Code in reverse order;
 - c) record it as a series of numbers with any of them marked to indicate the Access Code;
 - d) record the Access Code as a telephone number with the Access Code in its correct sequence within the number;
 - e) record the Access Code as a telephone number where no other telephone numbers are recorded; and
 - f) disguise the Access Code as a date or an amount. There may be other forms of preventing unauthorised access or disguising your Access Code which may also be considered unsuitable because of the ease with which the Access Code can be found.

A reasonable attempt to protect the security of an Access Code record includes making any reasonable attempt to disguise the Access Code within the record, or prevent unauthorised access to the access code record, including by:

- a) hiding or disguising the Access Code record among other records;
- b) hiding or disguising the Access Code record in a place where an access code record would not be expected to be found;
- c) keeping a record of the Access Code record in a securely locked container and
- d) preventing unauthorised access to an electronically stored record of the Access Code record.

This list is not exhaustive.

- 48.5 If you suspect the security of your Access Code has been compromised you must ensure you change your Access Code as soon as possible, and that you notify us of the suspected compromise of your Access Code immediately.

 - b) not give your Card to anyone else or let anyone else use it;

 - d) check regularly that you still have the Card.
- 49.2 You must keep your Access Code secret. Accordingly, you must:
- a) memorise your Access Code;

 - c) not tell anyone your Access Code, even your family, friends or our staff;
 - d) not keep a record of your Access Code on or with your Card; and
 - e) ensure that no one sees your Access Code when you are using it.

50. Reporting your Card or Access Method Lost or Stolen

- 50.1 You or an Additional Cardholder must notify us immediately if:
- a) an Access Method or card is lost or stolen;

 - c) any record you or an Additional Cardholder may have of your Access Method is lost or stolen.

- 50.4 Any unreasonable delay in notifying us may mean you are liable for some, or all of the loss incurred as a result of unauthorised access or transactions made using your Access Method (see [PART F](#) Terms and Conditions for EFT Transactions).

Part F: Terms and Conditions for EFT Transactions

The Terms and Conditions set out in this part apply to all EFT Transactions. We warrant that we will comply with the requirements of the ePayments Code.

If both the Terms and Conditions in this [Part F](#) and other Terms and Conditions apply to a transaction and there is any conflict or any inconsistency between them, the conditions in [Part F](#) apply to the extent of the inconsistency.

Liability for Unauthorised Transactions

51. When you are not liable for loss

- 51.1 You are not liable for loss arising from an unauthorised transaction if the cause of the loss is any of the following:
- a) fraud or negligence by our employee or agent, a third party involved in networking arrangements, or a merchant or their employee or agent;
 - b) a device, identifier or Access Code which is forged, faulty, expired or cancelled;
 - c) a transaction requiring the use of a device and/or Access Code that occurred before the user received the device and/or Access Code (including a reissued device and/or Access Code);
 - d) a transaction being incorrectly debited more than once to the same facility; and
 - e) an unauthorised transaction performed after we have been informed that a device has been misused, lost or stolen, or the security of an Access Code has been breached.
- 51.2 You are not liable for loss arising from an unauthorised transaction that can be made using an identifier without an Access Code or device. Where a transaction can be made using a device, or a device and an identifier, but does not require an Access Code, you are liable only if the user unreasonably delays reporting the loss or theft of the device.
- 51.3 You are not liable for loss arising from an unauthorised transaction where it is clear that a user has not contributed to the loss.
- 51.4 In a dispute about whether a user received a device or Access Code:
- a) there is a presumption that the user did not receive it, unless we can prove that the user did receive it;
 - b) we can prove that a user received a device or Access Code by obtaining an acknowledgement of receipt from the user; and
 - c) we may not rely on proof of delivery to a user's correct mailing or electronic address as proof that the user received the device or Access Code.
- 51.5 You are not liable for loss caused by the failure of a system or equipment provided by any party to a shared electronic network to complete a transaction accepted by the system or equipment in accordance with a user's instructions.

Where a user should reasonably have been aware that a system or equipment provided by any party to a shared electronic network was unavailable or malfunctioning, our liability may be limited to:

- a) correcting any errors; and
- b) refunding any fees or charges imposed on the user. (See Part 2 of this PDS for details of fees).

52. When you are liable for loss

- 52.1 If clause [51](#) does not apply, you may only be made liable for losses arising from an unauthorised transaction regulated by the ePayments Code in the circumstances specified in clause [52](#).

52.2 Where we can prove on the balance of probability that a user contributed to a loss through fraud, or breaching the Access Code security requirements in this PDS:

- a) you are liable in full for the actual losses that occur before the loss, theft or misuse of a device or breach of Access Code security is reported to us, but
- b) you are not liable for the portion of losses:
 - i. incurred on any one day that exceeds any applicable daily transaction limit,
 - ii. incurred in any period that exceeds any applicable periodic transaction limit,
 - iii. that exceeds the balance on the facility, including any pre-arranged credit, or
 - iv. incurred on any facility that we or you had not agreed could be accessed using the device or identifier and/or Access Code used to perform the transaction.

52.3 Where:

- a) more than one Access Code is required to perform a transaction, and
- b) we prove that a user breached the Access Code security requirements in clause [48](#) for one or more of the required Access Codes, but not all of the required Access Codes.

You are liable under clause [52.2](#) only if we also prove on the balance of probability that the breach of the Access Code security requirements under clause [48](#) was more than 50% responsible for the losses, when assessed together with all the contributing causes.

52.4 You are liable for losses arising from unauthorised transactions that occur because a user contributed to losses by leaving a card in an ATM, as long as the ATM incorporates reasonable safety standards that mitigate the risk of a card being left in the ATM.

Note: Reasonable safety standards that mitigate the risk of a card being left in an ATM include ATMs that capture cards that are not removed after a reasonable time and ATMs that require a user to swipe and then remove a card in order to commence a transaction.

52.5 Where we can prove, on the balance of probability, that a user contributed to losses resulting from an unauthorised transaction by unreasonably delaying reporting the misuse, loss or theft of a device, or that the security of all Access Codes has been breached, you:

- a) are liable for the actual losses that occur between:
 - i. when the user became aware of the security compromise, or should reasonably have become aware in the case of a lost or stolen device, and
 - ii. when the security compromise was reported to us, but
- b) are not liable for any portion of the losses:
 - i. incurred on any one day that exceeds any applicable daily transaction limit,
 - ii. incurred in any period that exceeds any applicable periodic transaction limit,
 - iii. that exceeds the balance on the facility, including any pre-arranged credit, or
 - iv. incurred on any facility that we and you had not agreed could be accessed using the device and/or Access Code used to perform the transaction.

Note: You may be liable under clause [52.5](#) if you were the user who contributed to the loss, or if a different user contributed to the loss.

52.6 Where an Access Code was required to perform an unauthorised transaction, and clauses [52.2](#) to [52.5](#) do not apply, you are liable for the least of:

- a) \$150, or a lower figure determined by us;

- b) the balance of the facility or facilities which we and you have agreed can be accessed using the device and/or Access Code, including any prearranged credit; or
 - c) the actual loss at the time that the misuse, loss or theft of a device or breach of Access Code security is reported to us, excluding that portion of the losses incurred on any one day which exceeds any relevant daily transaction or other periodic transaction limit.
- 52.7 In deciding whether we have proved on the balance of probability that a user has contributed to losses under clauses [52.2](#) and [52.5](#):
- a) all reasonable evidence must be considered, including all reasonable explanations for the transaction occurring,
 - b) the fact that a facility has been accessed with the correct device and/or Access Code, while significant, does not, of itself, constitute proof on the balance of probability that a user contributed to losses through fraud or a breach of the Access Code security requirements in clause [48](#), and
 - c) the use or security of any information required to perform a transaction that is not required to be kept secret by users (for example, the number and expiry date of a device) is not relevant to a user's liability.
- 52.8 If a user reports an unauthorised transaction on a credit card account, debit card account or charge card account:
- a) we must not hold you liable for losses under clause [52](#) for an amount greater than your liability if we exercised any rights, we had under the rules of the card scheme at the time the report was made, against other parties to the scheme (for example, charge-back rights), and
 - b) this clause does not require us to exercise any rights we may have under the rules of the card scheme. However, we cannot hold you liable under this clause for a greater amount than would apply if we had exercised those rights.

53. Changes to your Terms and Conditions

This clause applies to the Terms and Conditions in this [Part F](#).

- 53.1 We will provide you with written notice, at least 20 days before we change the Terms and Conditions to:
- a) increase your liability for losses relating to EFT Transactions;
 - b) impose, remove or adjust the periodic transaction limits applying to the use of the Access Method; or
 - c) impose or increase charges relating solely to the use of an Access Method, or the issue of an additional or replacement Access Method.
- 53.2 We will advise you of any other change:
- a) in time to comply with any applicable legislative requirements for a particular period of notice in advance of the date the change takes effect; or
 - b) where there is no such legislative requirement, in advance of the date the change takes effect; or
 - c) in the manner required by any applicable legislation, or if there are no such requirements, in a manner which is likely to come to the attention of as many Account and Credit Account holders as possible, which may include:
 - i. notice on, or with your periodic statement;
 - ii. notices on EFT terminals or in branches; or
 - iii. an advertisement in the national or local media.
- 53.3 However, we will not give you advance notice of a change necessitated by an immediate need to restore or maintain the security of the system or individual Accounts or Credit Accounts.

54. Statements - Electronic Communication

- 54.1 Except where the ePayments Code otherwise permits and subject to the requirements of any applicable law, you agree we may use electronic means to communicate with you instead of written communications, for example, to provide you with statements, notices, transaction confirmations or receipts electronically.
- 54.2 Subject to the requirement of any applicable law, where you carry out a transaction through Internet Banking a transaction record or receipt (which you can elect to save or print) is available to you on our website immediately on completion of the transaction. For these transactions we will not provide you with a paper transaction record or receipt.

55. Complaints or Disputes

- 55.1 If you have a complaint or query about a transaction involving use of an Access Method or Card, or of an entry on a statement, you should contact The Mutual Bank Member Services Contact Centre on 1300 688 825 immediately. If you are not satisfied with the information you have been given, you can enquire further in writing. You must set out all relevant information we require for our investigation of the matter.
- 55.2 Within 21 days of receiving your written complaint, we will either complete our investigation and advise you in writing of the outcome or tell you in writing that we need more time to complete our investigation. If we are unable to resolve your complaint within 30 days, we will:
- a) inform you of the reasons for the delay;
 - b) provide you with monthly updates on the progress of your complaint; and
 - c) specify a date when you can reasonably expect a decision to be made (unless we are waiting for a response from you and we have told you that we require that response).
- 55.3 The external dispute resolution scheme we are a member of with respect to electronic transactions is the Australian Financial Complaints Authority (AFCA).
- 55.4 When we have completed our investigation of a complaint, we will promptly inform you of the outcome of that investigation and reasons for that outcome (including references to relevant clauses of the ePayments Code). Unless your complaint has been resolved completely in your favour, we will also provide you with details of any further action you can take in respect of the ePayments Code, including contact details for the external dispute resolution scheme.
- 55.5 If, as a result of our investigation of your complaint, we decide that your Account, or Credit Account has been incorrectly credited or debited, we will promptly make adjustments to your Account or Credit Account including any fees, interest or charges and notify you in writing of those adjustments (See Part 2 of this PDS for details of fees).
- 55.6 If, on completion of our investigation, we decide that you are liable, in accordance with the ePayments Code, for at least part of the amount of the transaction subject to the complaint, we will make available to you copies of any documents or other evidence relevant to the outcome of our investigation, including information from any logs or audit trails relating to the transaction and advise you where there was any system or equipment malfunction at the time of the transaction.
- 55.7 Where we decide to resolve your complaint arising from an unauthorised transaction in clause [52.2](#) and [52.6](#), we may within 7 Business Days of receipt of that complaint, adjust the balance of your Account, or in the case of a Credit Account the excess amount and subsequently notify you in writing of that adjustment.

56. Deposits to Accounts by Funds Transfer

- 56.1 Subject to verification of amounts deposited, we are responsible for the security of deposits received at Electronic Equipment controlled or provided by us or on our behalf from the time the transaction at that equipment is completed.

56.2 The Mutual Bank accepts deposits to accounts by EFT Transactions based on the electronic account number and BSB only, we do not check the account name for EFT Transactions and those deposited funds will be credited directly to the account of the electronic account number provided.

Caution: When arranging EFT Transactions for deposit to an account at The Mutual Bank, you must ensure that the electronic account number you provide is correct, as any additional information (such as an account name) will not be matched to the account.

Part G: Terms and Conditions for BPAY

57. BPAY Conditions

- 57.1 These BPAY Terms and Conditions apply if you ask us to make a payment on your behalf through the BPAY Scheme.
- 57.2 We are a member of the BPAY Scheme. The BPAY Scheme is an electronic payment scheme through which you can ask us to make payments on your behalf to Billers who tell you that you can make BPAY Payments to them. We will tell you if we are no longer a member of the BPAY Scheme.
- 57.3 When you request us to make a BPAY Payment, you must give us the information specified below under the heading "Information you must give us". We will then debit your Account or Credit Account with the amount of that BPAY Payment. We may decide not to make a BPAY Payment if there are insufficient Cleared Funds in your Account at that time. We are not acting as your agent or the agent of the Biller when we make a BPAY Payment on your behalf.
- 57.4 If there is any inconsistency in relation to the use of the BPAY Scheme between the Terms and Conditions set out in this Part G and the remainder of the Terms and Conditions set out in this document, the latter will apply to the extent of that inconsistency.
- 57.5 No transactions can be processed via BPAY with respect to Christmas Club, Internet Saver - Business, Term Deposit, Sovereign Term Deposit or Farm Management Deposit.

58. How to use the BPAY Scheme

- 58.1 We will treat any instruction to make a BPAY Payment as authorised by you, when it is given to us and either:
- a) your Access Method is entered; or
 - b) you request us to process your instruction.

59. Information you must give us

- 59.1 You must give us the following information when you make a BPAY Payment:
- a) the Account from which you want us to debit the BPAY Payment;
 - b) the amount of the BPAY Payment;
 - c) the Biller's Code of the Biller you wish to pay; and
 - d) the Biller customer reference number.
- 59.2 We do not have to affect a BPAY Payment if you do not give us all of the above information or if any of that information is inaccurate.

60. Payments

- 60.1 We may impose restrictions on the Account(s) or Credit Account(s) from which a BPAY Payment may be made.
- 60.2 We do not have to process a BPAY Payment if there are insufficient Cleared Funds in the Account or Express Credit Account (if it operates as a debit facility only) from which you have instructed us to make the BPAY Payment or if the BPAY Payment, if processed, would cause the Credit Limit applicable to an Express Credit Account to be exceeded.
- 60.3 You must notify us immediately if you become aware that you may have made a mistake when instructing us to make a BPAY Payment, or if you did not authorise a BPAY Payment that has been made from your Account or Credit Account (this does not apply to a mistake you make as to the amount you mean to pay - see below).

60.4 On your request, we may at our discretion acting reasonably, depending on the circumstances including the time of your request, stop a BPAY Payment that you have instructed us to make. To make a request to stop a BPAY Payment contact our Member Services Contact Centre on 1300 688 825.

61. Processing Payments

61.1 Subject to clause [60.2](#), Billers who participate in the BPAY Scheme have agreed that a BPAY Payment you make will be treated as received by the Biller to whom it is directed:

- a) on the date you make that BPAY Payment, if you tell us to make the BPAY Payment before the Payment Cut-off Time on a Banking Business Day; or
- b) on the next Banking Business Day, if you tell us to make a BPAY Payment after the Payment Cut-off Time on a Banking Business Day, or on a non- Banking Business Day; or
- c) on the day or next Banking Business Day, that you have nominated for a scheduled payment to take place.

61.2 We cannot guarantee that a BPAY Payment will always be treated as being received as set out in this clause. If you tell us to make a BPAY Payment before the Payment Cut-off Time on a Banking Business Day, your payment will generally be treated by the Biller to whom it is directed as having been made on that day. The BPAY Payment may take longer to be credited to a Biller if you tell us to make the BPAY Payment after the Payment Cut-off Time on a Banking Business Day or on a day that is not a Banking Business Day or if another participant in the BPAY Scheme does not process a BPAY Payment as soon as they receive its details. Payment Cut-off Time: 3.30 pm New South Wales time.

62. When a Biller cannot process a payment

62.1 If we are notified that a Biller cannot process a BPAY Payment, we will:

- a) advise you of this;
- b) credit your Account or Credit Account with the amount of the BPAY Payment; and
- c) if you ask us to do so, take all reasonable steps to assist you in making a BPAY Payment to that Biller as soon as possible.

62.2 You should check your Account records carefully and promptly report to us as soon as you become aware of any BPAY Payments that you think are errors or are BPAY Payments that you did not authorise or you think were made by someone else without your permission.

63. Accuracy of Information

63.1 You are responsible for ensuring:

- a) the customer information provided to us by you at the time of registration is accurate and that you inform us promptly of any change to this information;
- b) the accuracy of information provided to us through Internet Banking and BPAY payments made over the counter.

63.2 If you discover that you instructed us to make a payment to a Biller for an incorrect amount:

- a) if the amount you instructed us to pay is greater than the required amount, contact the Biller for a refund; or
- b) if the amount is less than the required amount, you should make a further payment (using BPAY or another method) for the difference.

63.3 You must notify us immediately if you become aware that you may have made a mistake (except for a mistake as to the amount you mean to pay - for those errors see clause [62.2](#)). Clause [69](#) describes when and how we will arrange for such a Payment to be refunded to you.

64. Changes to terms affecting BPAY

64.1 We reserve the right to vary these BPAY Terms and Conditions and will inform you of the changes in accordance with clause [65](#) of these Terms and Conditions.

65. Changes to your Terms and Conditions

This clause applies to the Terms and Conditions in this [Part G](#).

65.1 We will provide you with written notice, as least 20 days before we change the Terms and Conditions to:

- a) increase your liability for losses relating to EFT Transactions;
- b) impose, remove or adjust the periodic transaction limits applying to the use of the Access Method; or
- c) impose or increase charges relating solely to the use of an Access Method, or the issue of an additional or replacement Access Method.

65.2 We will advise you of any other change:

- a) in time to comply with any applicable legislative requirements for a particular period of notice in advance of the date the change takes effect; or
- b) where there is no such legislative requirement, in advance of the date the change takes effect; or
- c) in the manner required by any applicable legislation, or if there are no such requirements, in a manner which is likely to come to the attention of as many Account or Credit Account holders as possible, which may include:
 - i. notice on, or with your periodic statement;
 - ii. notices on EFT terminals or in branches; or
 - iii. an advertisement in the national or local media.

65.3 However, we will not give you advance notice of a change necessitated by an immediate need to restore or maintain the security of the system or individual Accounts.

66. Suspension

66.1 We may suspend or cancel your right to participate in the BPAY Scheme if at any time:

- a) a user or anyone acting on a user's behalf are suspected of acting in a fraudulent manner; or
- b) in circumstances we consider appropriate.

67. Cut-off Times

67.1 BPAY Payments may be affected the next Business Day if you tell us to make a BPAY Payment on a Saturday, Sunday or Public Holiday or if the Biller does not process a Payment as soon as they receive its details. If you arranged a post-dated BPAY payment that falls due on a Saturday, Sunday or Public Holiday, the payment will be affected just before 9am on the first Business Day prior to the Saturday, Sunday or Public Holiday.

67.2 If you instruct us to make a Payment before the times specified below it will in most cases, be treated as having been made on the same day. Cut-off times: Monday - Friday 3.30pm AEST Saturday, Sunday and Public Holidays; processed next Business Day.

68. Account Records

68.1 You must check your Account records carefully and immediately report to us as soon as you become aware of any BPAY Payments that you think are erroneous or made by someone else without your permission.

69. Liability for mistaken payments, unauthorised transactions and fraud

- 69.1 Liability for losses arising from unauthorised BPAY Payments is governed by clause [52](#) of these Terms and Conditions.
- 69.2 We will attempt to make sure that your BPAY Payments are processed promptly by the participants in the BPAY Scheme, including those Billers to whom your BPAY Payments are to be made.
- 69.3 You must tell us immediately if:
- a) you become aware of any delays or mistakes in processing your BPAY Payment;
 - b) you did not authorise a BPAY Payment that had been made from an Account or Credit Account; or
 - c) you think that you have been fraudulently induced to make a BPAY Payment.
- 69.4 We will attempt to rectify any such matters in relation to your BPAY Payment in the way described in this clause. If the ePayments Code applies to your Account or Credit Account and a BPAY Payment is made on your Account or Credit Account without your knowledge or consent, liability for that unauthorised BPAY Payment will be determined in accordance with clause [52](#) of these Terms and Conditions. Otherwise, to the extent permitted by any applicable law or the ePayments Code, we are not liable for any consequential loss or damage you suffer as a result of using the BPAY Scheme other than any loss or damage which is due to our negligence or breach of any condition or warranty implied by law which cannot be excluded restricted or modified at all or only to a limited extent.
- 69.5 If a BPAY Payment is made to a person or for an amount which is not in accordance with your instructions (if any), and your Account, or Credit Account has been debited with the amount of that Payment, we will credit that amount to your Account or Credit Account (including any fees, charges or Government charges arising from that Payment). However, if you were responsible for a mistake resulting in that Payment and we cannot recover within 20 Banking Business Days of us attempting to do so from the person who received the amount of that Payment, you must pay us that amount.
- 69.6 If a BPAY Payment is made in accordance with a Payment direction which appeared to us to be from you or on your behalf but for which you did not give authority, we will credit your Account or Credit Account with the amount of that unauthorised Payment. However, you must pay us the amount of that unauthorised Payment if:
- a) we cannot recover that amount within 20 Banking Business Days of us attempting to do so from the person who received it; and
 - b) the Payment was made as a result of the Payment direction which did not comply with any requirements, we may have for such Payment direction.
- 69.7 If a BPAY Payment is induced by the fraud of a person involved in the BPAY Scheme, then that person should refund you the amount of the fraud induced payment. However, if that person does not refund you the amount of the fraud induced payment, you must bear that loss unless some other person involved in the BPAY Scheme knew of the fraud or would have detected it with reasonable diligence, in which case we will attempt to obtain a refund for you of the fraud induced Payment.
- 69.8 If a BPAY Payment you have made falls within the type described in clauses [69.5](#), [69.6](#) and [69.7](#), then we will apply the principles set out in clause [69.6](#). If a BPAY Payment you have made falls within both the types described in clauses [69.5](#) and [69.7](#), then we will apply the principles set out in clause [69.7](#).
- 69.9 If you tell us that a BPAY Payment made from your Account or Credit Account is unauthorised, you must first give us your written consent addressed to the Biller who received that BPAY Payment, consenting to us obtaining from the Biller information about your Account with that Biller or the BPAY Payment, including your customer reference number and such information as we reasonably require to investigate the BPAY Payment. We are not obliged to investigate or rectify any BPAY Payment if you do not give us this consent. If you do not give us that consent, the Biller may not be permitted under law to disclose to us information we need to investigate or rectify that BPAY Payment. If we are advised that your Payment

cannot be processed by a Biller, we will credit your Account or Credit Account with the amount of the BPAY Payment.

69.10 You acknowledge that receipt by a Biller of a mistaken or erroneous BPAY Payment does not or will not constitute under any circumstances part or whole satisfaction of any underlying debt owed between the payer and their Biller.

69.11 This clause [69](#) only applies to EFT Transactions to the extent to which [Part F](#) of these Terms and Conditions does not apply.

70. Disputes

70.1 If you have a dispute which relates to a BPAY Payment and you are an individual who has requested us to make a BPAY Payment on your behalf wholly or exclusively for private or domestic use, then we will deal with your dispute in accordance with dispute resolution procedures established under the BPAY Scheme.

You must identify a bank Account (“the Linked Account”) with us on the Farm Management Deposit Application form. Funds can be withdrawn from your Farm Management Deposit Account by transfer to your Linked Account. The Linked Account must contain the exact same name as the owner of the Farm Management Deposit.
- 73.2 The Linked Account must be an “at call” Account. That is, you must be able to withdraw funds from it at any time. A Term Deposit, Sovereign Term Deposit and Farm Management Deposit is not an “at call” Account.

Part L: Terms and Conditions for PayID, NPP Payments, Osko PayTo & Confirmation of Payee Service

Section 1: PayID and NPP

77. About Pay ID and NPP Payments

- 77.1 PayID is the NPP Payment addressing service that enables Payers to make NPP Payments to payees using an alternative identifier instead of a BSB and Account number.
- 77.2 The creation and use of PayID identifier is optional. However, some payment facilities may require the use of a PayID identifier.
- 77.3 Before you can use your PayID to receive NPP Payments to your Account, you have to satisfy us that you either own or have the right to use your chosen PayID and you have to have an eligible Account. For details of eligible accounts refer to Payment Facility table in this Key Features section of this PDS Part 1.
- 77.4 Whether you choose to create a PayID for your Account or not, you and each User you have authorised to operate your Account, may use a payee's PayID to make particular types of NPP Payments to them from your Account provided that:
- we and the payee's financial institution support the particular NPP Payment service;
 - the payee's account is eligible to receive the particular NPP Payment; and
 - the PayID is not locked.
- 77.5 For terms of:
- how the PayID service may be used for particular NPP Payment services, including details of when your Account may be debited or credited, and your obligations to input correct PayID details and to check payee's PayID Name before sending an NPP Payment see clause 40 of these terms and conditions; and

- 78.3 The ABN and organisation identifier PayID Types are restricted to business members who are a sole trader or a business organisation. Only eligible members will be able to register a PayID that is a restricted PayID.
- 78.4 You must satisfy us that you own or have the right to use your chosen PayID before you can use it to receive NPP Payments. This means we may ask you to provide evidence to establish this to our satisfaction, whether you are already registered for any payment services with us or not.
- 78.5 At the same time you create your PayID, we will either:
- issue you a PayID Name; or
 - enable you to select your own PayID Name, such as your mobile phone number or email address.

- 78.6 We will not permit selection of a PayID Name that we consider could mislead or deceive a Payer into sending you NPP Payments intended for another payee.
- 78.7 Depending on the policy of a Payer's financial institution, your PayID Name may be displayed to Payers who send NPP Payments to you.

79. Creating your PayID

- 79.1 You can create a PayID for receiving NPP Payments through Internet Banking (mobile phone and email address only) or at any of The Mutual Bank branch locations. We will not create a PayID for you without your prior consent.

The Payment Agreement will appear in your Internet Banking for your authorisation. Once you have authorised the Payment Agreement, the business can debit your account according to the terms that you have agreed.

Within Internet Banking you may confirm or decline any amendment request presented for your approval. If you confirm, we will record the confirmation against the record of the Payment Agreement in the Mandate Management Service and the amendment will then be deemed to be effective. If you decline, the amendment will not be made. A declined amendment request will not otherwise affect the Payment Agreement.
- 93.3 Amendment requests which are not confirmed or declined within 5 calendar days of being sent to you, will expire. If you do not authorise or decline the amendment request within this period of time, the amendment request will be deemed to be declined.

Account details may only be replaced with the BSB and account number of an account you hold with us. If you wish to amend the Account details to refer to an account with another financial institution, you may give us a transfer instruction see clause 95. We may decline to act on your instruction to amend your Payment Agreement if we are not reasonably satisfied that your request is legitimate. You may not request us to amend the details of the Merchant or Payment Initiator, or another party.

94. Pausing your Payment Agreement

- 94.1 You may instruct us to pause and resume your Payment Agreement via Internet Banking. We will act on your instruction to pause or resume your Payment Agreement promptly by updating the record of the Payment Agreement in the Mandate Management Service unless the Payment Agreement was paused due to fraud or misuse concerns. If the Payment Agreement was paused due to fraud or misuse concerns, we may not resume the Payment Agreement until the concerns have been addressed. The Mandate Management Service will notify the Merchant's or Payment Initiator's financial institution or payment

processor of the pause or resumption. During the period the Payment Agreement is paused, we will not process payment instructions in connection with it. We will not be liable for any loss that you or any other person may suffer as a result of the pausing of a Payment Agreement that is in breach of the terms of an agreement between you and the relevant Merchant or Payment Initiator.

- 94.2 Merchants and Payment Initiators may pause and resume their Payment Agreements. The updated Payment Agreement will become effective upon being updated in the Mandate Management Service.
- 95.3 Until the Transfer is completed, the Payment Agreement will remain linked to your Account with us and payments under the Payment Agreement will continue to be made from your Account with us. You are entitled to prior written notice of variation of your Direct Debit arrangement and changed processing arrangements, as specified in your Direct Debit Service Agreement, from the Merchant or Payment Initiator. If you do not consent to the variation of the Direct Debit arrangement you must advise the Merchant or Payment Initiator.
